

paper rocks

welcome to the new **stoneage**

Rock Paper Notepad

This notepad is made from TerraSkin® stone/rock paper which is Cradle to Cradle Certified™. No trees, no water, or bleach are used in its production. The Inkless Notepad can be marked with a variety of metallic objects as well as your everyday pen or pencil. This tough little notepad works in extreme conditions, is water-resistant, tear resistant, grease proof and antibacterial.

Rock and Write with just about
any found piece of metal!

If you can't find yourself a pen, use any of these metal objects to write on rock paper.
